

Round Table Discussion

NDC Implementation and Transparency in Transport

Friday, 12 May 2017 13:00 - 15:00

GIZ Office Bonn

Registration & Lunch Snack from 12:00

The Round Table Discussion on NDC Implementation and Transparency in Transport offers a forum for exchange on ongoing activities and projects. It brings together stakeholders from climate and transport initiatives in order to share experiences and identify synergies and potential for cooperation. A round of input statements by selected speakers will be followed by an open discussion on:

1. Lessons learnt regarding NDC implementation in the transport sector so far.
2. Ways to increase the level of ambition.
3. Requirements of transparency frameworks in the transport sector.
