NAMA Toolbox The toolbox provides hands-on assistance for practitioners to design a Transport NAMA, e.g. step-by-step guidance, cost-revenue-table, coordination structure. <http://transport-namas.org/resources/toolbox/>

- NAMA Concept Documents** National Urban Transport Programmes from Indonesia, Peru and South Africa; Freight Programmes from Mexico, Colombia; others. <http://transferproject.org/resources/full-nama-concept-docs/>
- Factsheets on different mitigation actions** Practical fact sheets on policies and measures for mitigating GHG emissions in the transport sector.
<http://transferproject.org/resources/full-nama-concept-docs/>
- T-NAMA Monitors and Database** Open source platform for knowledge sharing and transparency on transport NAMAs.

MRV www.transferproject.org/mrv/

- Transport Volume on GHG Baselines and Monitoring** The UNFCCC's Compendium on GHG Baselines and Monitoring, guides readers through existing MRV methodologies for climate actions in transport.
http://mitigationandtransparencyexchange.org/news/wp-content/uploads/2017/04/Compendium_Volume-6_Transport_cover_impresum_v02.pdf
- Reference Document on MRV in the transport sector** Guidance on how to develop comprehensive and consistent national systems for MRV in the transport sector.
http://transferproject.org/wp-content/uploads/2014/10/Reference-Documents_Transport-MRV_final.pdf
- Bottom-Up Inventory and MRV of Transport Measures** This paper explores the synergies and limitations between bottom-up greenhouse gas (GHG) inventories and MRV of policies and actions.

- Guide on Data Collection in Cities** Monitoring Greenhouse Gas Emissions of Transport Activities in Chinese Cities; A Step-by-Step Guide to Data Collection.
http://transferproject.org/wp-content/uploads/2016/04/Monitoring-Greenhouse-Gas-Emissions_final.pdf
- MRV Blueprints for different types of measures** Shift to rail: http://transferproject.org/wp-content/uploads/2014/10/TRANSfer_MRV-Blueprint_Railway-NAMA_India_draft.pdf
Low rolling resistance tires and tire labelling: http://transferproject.org/wp-content/uploads/2014/10/TRANSfer_MRV-Blueprint_lower-tires_EU.pdf
Truck scrapping: http://transferproject.org/wp-content/uploads/2014/10/TRANSfer_MRV-Blueprint_Truck_Scrapping_MX_draft.pdf
Sustainable urban transport programmes: http://transferproject.org/wp-content/uploads/2014/10/TRANSfer_MRV-Blueprint_Urban-Transport_China_draft.pdf

Finance		www.transferproject.org/resources/publications/
A Systematic Approach for Climate Finance for Sustainable Transport	A Discussion Paper to identify how scarce International Climate Finance can be used to significantly scale-up sustainable, low-carbon transport.	http://transferproject.org/wp-content/uploads/2015/12/GIZ-TRANSfer-A-Systematic-Approach-for-the-use-of-Climate-Finance-to-Sustainable-Transport1.pdf
Financing Sustainable Urban Transport	SUTP Sourcebook Module for policy makers, available in 7 languages.	http://sutp.org/files/contents/documents/resources/A_Sourcebook/SB1_Institutional-and-Policy-Orientation/GIZ_SUTP_SB1f_Financing-Sustainable-Urban-Transport_EN.pdf
Climate Finance as Engine for Low-Carbon Transport	Recommendations to Policy Makers on Transport and Climate Change.	http://transferproject.org/wp-content/uploads/2014/12/Policy-Brief-Executive-Summary.pdf
Scaling-up Sustainable, Low-Carbon Transport	This Policy Brief is an intermediate result of the work of an international expert group on climate finance for sustainable transport.	http://transferproject.org/wp-content/uploads/2014/12/Draft-Policy-Brief-for-COP20-Dissemination.pdf

Low Carbon Urban Transport

On-street parking management	The document provides an overview of the different approaches to on-street parking management and provides advice to policy makers.	http://www.sutp.org/files/contents/documents/resources/B_Technical-Documents/GIZ_SUTP_TD14_On_Street_Parking_Management_en.pdf
Electromobility	SUTP Technical Document 15, available in English and Portuguese.	http://sutp.org/files/contents/documents/resources/B_Technical-Documents/GIZ_SUTP_TD15_E-Mobility.pdf
Transportation Demand Management	This SUTP Training Document presents an overview on international practices and supports the design of a TDM strategy.	http://sutp.org/files/contents/documents/resources/H_Training-Material/GIZ_SUTP_TM_Transportation-Demand-Management_EN.pdf
Non-motorised transport	SUTP Module & Training Document provides planners and decision-makers with tools to develop people-friendly transport systems in their respective cities.	http://sutp.org/files/contents/documents/resources/H_Training-Material/GIZ_SUTP_TM_Non-motorised-Transport_EN.pdf
Urban Freight in Developing Cities	SUTP Sourcebook Module for policy makers.	http://www.sutp.org/files/contents/documents/resources/A_Sourcebook/SB1_Institutional-and-Policy-Orientation/GIZ_SUTP_SB1g_Urban-Freight-in-Developing-Cities_EN.pdf
